will attend**

June 3 - 7

June 10 - 14

June 17 - 21

June 24 - 28

July 1 – July 5 No Summer
Camp

July 8 - 12

July 15 - 19

July 22 - 26

June 3 – 7

Dinosaurs

Come and discover the world of dinosaurs. We will be exploring different types, sizes, and eating habits of dinosaurs. We will also be creating our own dinosaur. **There will also be a trip to the McWane Center**

June 10 - 14

Farm

We will focus our studies on farm animals. The students will learn about the different types of animals and how to take care of them. There will also be a trip **to Oak Mountain State Park's Demonstration Farm.**

June 17 - 21

Garden

Why are gardens important? The students will discover the parts of a plant and what plants need to grow. The children will get the opportunity to grow their own plants. **There will also be a trip to Hugh Kaul Eco Scape.**

June 24 - 28

Space

Let's explore the galaxy! We will learn about the planets, different constellations, and all the wonders of space. **There will also be a trip to the Southern Museum of Flight.**

July 1– July 5

No Summer Camp

July 8 - 12

Calling All Cooks

Join us for a week of cooking activities and eating! Each camper will have the opportunity to make homemade pizza, blueberry muffins, chocolate chip pancakes and more. A recipe book will be assembled by each camper and sent home on our last day for families to enjoy at home. **There will also be a trip to Whole Foods**

July 15 –19

Creepy Crawlies

Join us for a week of exploring the fascinating world of insects. We will identify the parts of an insect. Each camper will have the opportunity to create a Parts of the Insect Book. We will go on nature walks on campus looking for beetles, ants, worms, and many others. **There will also be a trip to the Birmingham Zoo.**

July 22 - 26

Montessori Camp

Has your child been missing the Montessori environment this summer? We have a class available where authentic Montessori lessons will be represented. Areas of interest for each child will be noted and lessons will be focused in those areas. Enrichment lessons on the life of Maria Montessori will be presented in small groups. The class will be run according to the existing schedules and lesson presentations used in the preschool.
